- 1. Open Hauptwerk
- 2. Go to 'File' and choose Import Hauptwerk version 1 organ'.

- 3. Search for the file 'Bonifatius.organ' (you may have put it in the directory C:/Bonifatiussampleset by example). Then choose OK.
- 4. The sampleset will now be installed. This may take several minutes.
- 5. After installing go to 'Organ' and then 'Load Organ'. Choose for HWv1-Bonifatius and then select OK.
